

# A HORSE WITH NO NAME (AMÉRICA)

**Em**                    **D6/9**  
On the first part of the journey

**Em**                    **D6/9**  
I was looking at all the life

**Em**                    **D6/9**  
There were plants and birds and rocks and things

**Em**                    **D6/9**  
There were sand and hills and rings

**Em**                    **D6/9**  
The first thing I met was a fly with a buzz

**Em**                    **D6/9**  
and the sky with no clouds

**Em**                    **D6/9**  
the heat was hot and the ground was dry

**Em**                    **D6/9**  
but the air was full of sound

## [Chorus]

**Em9**                    **D6/9**  
I've been through the desert on a horse with no name

**Em9**                    **D6/9**  
it felt good to be out of the rain

**Em9**                    **D6/9**  
in the desert you can remember your name

**Em9**                    **D6/9**  
'cause there ain't no one for to give you no pain

**Em9**                    **D6/9**  
La la la la lala la lala

**Em9**                    **D6/9**  
la la la

**Em**                    **D6/9**  
After two days in the desert sun  
**Em**                    **D6/9**  
my skin began to turn red  
**Em**                    **D6/9**  
After three days in the desert fun  
**Em**                    **D6/9**  
I was looking at a river bed  
**Em**                    **D6/9**  
And the story it told of a river that flowed  
**Em**                    **D6/9**  
made me sad to think it was dead

**[Chorus]**

**Em**                    **D6/9**  
After nine days I let the horse run free  
**Em**                    **D6/9**  
'cause the desert had turned to sea  
**Em**                    **D6/9**  
there were plants and birds and rocks and things  
**Em**                    **D6/9**  
there were sand and hills and rings  
**Em**                    **D6/9**  
The ocean is a desert with it's life underground  
**Em**                    **D6/9**  
and the perfect disguise above  
**Em**                    **D6/9**  
Under the cities lies a heart made of ground  
**Em**                    **D6/9**  
but the humans will give no love

**[Chorus]**
